Gold. Moderne.

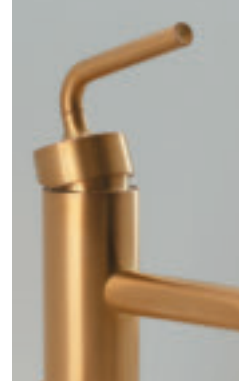

Conveying a sense of prestige and leadership, gold is the universal standard of excellence of which we all strive. We've approached the undeniable, romantic allure of gold in an entirely new way. The results are two new, trendsetting Vibrant PVD faucet finishes. Offering a striking visual appeal, Vibrant[®] Moderne Brushed Gold* and Vibrant Moderne Polished Gold* resonate in today's contemporary interiors. Both of these stunning new finishes are being introduced on the timeless Purist[®] faucet offering.
