**Exclusive ProMotion® technology** ensures effortless sprayhead control. A braided nylon hose won't kink or tangle.

**The secure docking** of the sprayhead ensures a tight fit when retracted.

**MasterClean™ sprayface** resists calcium buildup, so the faucet is easy to wipe clean.

**The high-arching spout** makes it easy to move pots and pans in and out of the basin.

**A wide range of styles and finishes** complement a variety of tastes and kitchen décor.

**The lifetime warranty\*** provides peace of mind knowing that Kohler backs up every faucet it manufactures.

### Three-function sprayhead features

**Aerate:** for a standard spray—excellent for filling pots or watering plants.

**Spray:** for more force to clean and rinse dirty dishes.

**Pause:** for extending beyond the basin to easily fill large pots or vases.

\*Kohler Co. warrants its faucets to be leak- and drip-free during normal residential use for as long as the original consumer purchaser owns his or her home. This warranty applies only to KOHLER faucets installed in North America. Faucets used in commercial settings carry a Kohler one-year limited warranty.
