

Refinia™
Bathroom Faucet Collection

THE BOLD LOOK
OF **KOHLER**®

Refinia™

Inspired by organic shapes, the Refinia faucet mimics the gentle, optimistic uncurling of a sprouting plant. Its soft lines celebrate the beauty of simplicity, adding elegance to any bathroom. Available in Polished Chrome and Vibrant® Brushed Nickel, the graceful, sculptural lines and improved minimalist profile of Refinia faucets can be nicely complemented by Alteo™ accessories.

The chart below provides a selection of Refinia products. To view the entire collection of 20 elegant products, including transfer valve trim and deck-mount bath faucets, please visit KOHLER.com/faucets.

WaterSense® labeled faucets use at least 30% less water than standard 2.2 gpm faucets while still meeting performance guidelines.

The Refinia faucet features UltraGlide™ with dry stem valve technology:

- No more leaky stems
- Easy 3-step installation
- Precise, smooth performance
